PRESS RELEASE

A Prestigious International Invitation to

the Grand Charity Gala of the Torch of Peace

Legend Music Awards and **Global Legend of Fame**, represented by its President and CEO, Sam J. Legend, has received an official invitation to attend the Grand Charity Gala of the Torch of Peace as an **International Guest of Honour**, where she will receive the **"Award Excellence" Career Achievement Award**. The event is scheduled for Monday, February 15, 2027, at the Salone delle Feste of the Grand Hotel des Anglais in Sanremo, Italy.

A distinguished and prestigious event, destined to become an occasion of extraordinary international prominence, the gala aspires to bring together leading figures from the past, present, and future, uniting their voices in one powerful chorus in support of solidarity and humanitarian causes.

The invitation, promoted by the Organizing Committee and the Institutional Relations Directorate of the **San Giovanni Paolo II Association**, led by Nino Capobianco, forms part of an event dedicated to ***celebrating outstanding Italian and international achievements and recognizing distinguished professional careers in entertainment, culture, entrepreneurship, humanitarian engagement, and social and environmental responsibility***.

The event carries even greater significance thanks to its charitable mission, which aims to support the **Pediatric Oncology Hospital at the Cittadella di Padre Pio** (www.lacittadelladipadrepio.it). In this way, a celebration of excellence becomes a tangible opportunity to demonstrate solidarity and provide meaningful support to children in need.

An occasion where excellence meets the power of solidarity, giving true meaning to prestige through a concrete commitment to the common good.
